# PARKING HEATER PRODUCTS

Offers a full range of diesel-fired air and coolant (water) heater products for all types of vehicles and installations. From long-haul trucks to boats and RV's we've got your heating needs covered.

# WE DO CUSTOM FAN HUB REBUILDS

- Kit Masters Gold Top fan Clutches generate over 5,000 lb-ft of torque to handle nearly all fan blades on the market without slipping, preventing unwanted heat that damages seals and bearings.
- Less time to install. • Low cost. • 300,000 mile / 3 year warranty.
- Higher quality internal components.

...And More

*Ask about our same day service*

## Engine overheating?

A fan clutch that is not engaging could be the problem.
